Single Student Subscription

Quick Start Guide

1. Log in from the “Student Login” button with your username and password.

2. The single student subscription gives the user access to the complete library of 282 e-books and activities.

Read the following steps to learn more...

Logging In

The “Single Student” subscription gives the student access to the complete library of 282 e-books and activities, without any management system. The user can log in using the username (email address) and password that is included in the sign-up email.

Go to sunshineprimaryclub.com and log in from the “Student Login” button.

The E-books

From their Library, students click on a title to download the book and its activities.

Key words from the book. Five words for levels 1–12 and 10 words for levels 13–19. Words are read out with high-lighting.

Select this button for a timed read.

The arrow opens and closes the navigation bar.

"Library" takes the student back to their Library and exits the book.

Select the text to hear the text read out with high-lighting.

An arrow here navigates forwards through the book.

These arrows navigate backwards and forwards through the book.

"Pages" shows thumbnails of the pages of the book.

The pen opens the toolbar showing the pen tool, the eraser, a colour palette and a white text box.

The E-books - Levels 1-5

Texts up to level 5 work differently than later texts.

- Individual words are clickable.
- The speaker icon reads all the text on the page.
- Text is high-lighted word by word.

The Activities

The Activities menu comes at the end of the e-book. There are three or four activities associated with each book.

After each activity is saved, the student will see a message stating that the data has been saved successfully.

The results are accessible to the student.

Alphabet Activity

Alphabet activities are at levels 1–8. The Alphabet activities all follow a similar format. They consist of:

- Write the Alphabet
- Letter Names
- Letter Sounds
- Initial Sounds

This alphabet activity requires students to select the letter they hear. When each activity is completed, click **Save** to save the results.

Words Activity

After completing each Words activity, select **Save** to save the data.

The eraser tool undoes any work.

Thinking Activity

The Thinking activity at levels 13–19 is a quiz that explores the student's comprehension of the e-book.

Select an answer, then click on Next.

At the end of each quiz, click Save to save the score.

Read the question and choose the correct answer.

Word Families

There are 32 word family e-books that offer students opportunities to explore and develop awareness of the onsets and rimes that make up words. Each story has an activity to reinforce the word family and a game to consolidate skills.

Songs

Through songs, students are exposed to the sounds of language and a wider variety of words to enrich their vocabulary.

Letter Combinations

There are 24 letter combination e-books that offer students opportunities to develop understanding of sound-letter relationships. Each story has an activity to reinforce the letter combination and a game to consolidate skills.
